

Memory Verse

And if you belong to Christ, then you are Abraham's seed, heirs according to the promise.
Galatians 3:29

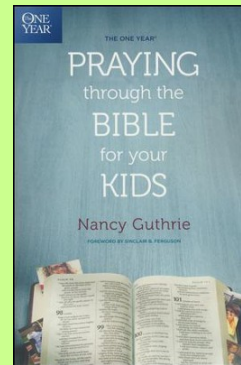

Discipleship Ideas for Home

- Be a blessing to others by shopping for baby supplies and donating to an agency that serves infants in need.
- Draw a picture of your family together. Count how many people are in your family. Have your child guess how many people are in God's family. Tell them there are so many people in God's family we can't even count them all! Then remind them that they are in God's family too!
- Work with your child to point out the differences between the two of you. They could be physical differences, differences in roles, or differences in preferences. Talk about how God made everyone different and He loves all the things that make us who we are!
- Use sticky notes to label blessings in your home, including pets, objects, and people. Count all the sticky notes together to see how many blessings are in your home.
