Memory Verse

"Whenever the rainbow appears in the clouds, I will see it and remember the everlasting covenant between God and all living creatures of every kind on the earth."
Genesis 9:16

Discipleship Ideas for Home

- Take a creation walk together in your neighborhood. Wrap a piece of duct tape around your wrist with the sticky side facing out. Attach things from your walk to the bracelet.
- The next time you flip on the lights, talk about how God made light- and it was good!
- When you see a rainbow in the sky remind your child of the story of Noah and how God promised to never flood the earth again. See what they can remember about the story or ask their favorite part.
- Talk about what a promise is. Do people always keep their promises? Sometimes it's hard to keep a promise, but God has never broken a promise! He always does what He says He'll do.
