Discipleship Ideas for Home

- When your child demonstrates sharing, praise them by relating their actions to how God shares with us. Say something like "wow, that was great that you shared with your sister! That reminds me of how Jesus shares good things with us!"
- Look through pictures of family and friends on your phone or in your house. Take a few minutes to pray for them with your child.
- Play hide and seek with your child. After you're done say "it's fun to try to find each other. Did you know that God never loses us? He is always with us and knows where we are. We are never lost from Him!"
- Watch this fun video about patience together: <https://www.youtube.com/watch?v=b5mb1Z98g1E>
Talk about how God is patient with us and how we can show love to others by being patient with them too.
