

CHILD'S NAME \_\_\_\_\_

## To Play on God's Team, I Should Learn To Follow His Instructions

As a family, complete these activities and check the ones you completed. Have your child put their name on this sheet and turn it back in next weekend.

### BIBLE STORY

Read Matthew 22:34-40. Jesus was able to sum up the entire Law in two easy to understand statements. These two statements are His instructions to us even today!

### BIBLE VERSE

James 1:22

This week's verse tells us that to fully obey God, we can't just listen to His instructions, we have to follow them also!

### SERVICE PROJECT

As a family, drop these items off at a local shelter. For a child it might be some of their favorite toys. Mom may have some jewelry, and Dad may want to give up a shirt. While you're doing this, talk about how you are following God's instructions to, *"Love the Lord your God with all your heart, with all your soul, with all your strength and with all your mind; and love your neighbor as yourself."* Luke 10:27

### EYE SPY LOVE

Spend time discussing specific ways we can show love to God and to others. It may be carrying out someone's groceries, holding the door open or giving someone part of your lunch. Then, for the rest of the week, be on the look out for people showing love. When you spy someone showing love you say, "Eye spy that person showing love by..." Also, parents be attentive to what your child is doing throughout the week so you can spy them showing love!
