Main Point

I Will Listen And Do What The Bible Says!

Bible Story

Read our Bible Passage from James 1:19-25 and our Bible Story from 2 Kings chapters 22 and 23. When we hear God's Word, we need to do what it says.

Bible Verse

This week's Bible Verse tells us that God's Word will tell us to change things in our lives.
2 Timothy 3:16.

Mirror, Mirror

After the children go to bed, cover up all the mirrors in the house. In the morning, wake everyone up early and tell them they have to try to get ready without using any mirrors. After they have struggled for a while let them uncover the mirrors and finish getting ready. Tell the family that God's Word is the mirror for our lives and it is just as important that we look into God's Word each morning to correct our lives as it is for us to look into a mirror in the morning to correct our appearance.

Rule Book

Buy a new board game that your family is unfamiliar with. Get everyone to play the game, but don't read the rules first, just make them up. Keep changing the rules until everyone starts to get frustrated. Then pull out the rule book and read it and play the game properly. Explain that the Bible is the rule book for our lives and that we should read it and do what it says.
