### Main Point

I Will Pray To God About Everything!

### Bible Story

Read our Bible Passage from James 5:13-16b and our Bible Story from 2 Chronicles chapters 14 through 16. We need to pray to God about everything.

### Bible Verse

This week's Bible Verse tells us that we should never stop praying. 1 Thessalonians 5:17.

### Call In The Play

Watch a football or basketball game as a family. As the players run down the court or line up on the ball, talk with the children about how the players know what to do and ask these questions. What would happen if they ran the same play every time? Who tells the players what plays to run? What would happen if they didn't listen when the coach called in the play? Tell everyone that as we go through our lives, we need to talk to our coach, God, and listen to what He wants us to do. We do that by constantly praying to God, just like the players constantly check with the coach for the next play.

### Prayer Time

Find a time during the day for your family to pray together. Keep a clipboard or notebook to write down things that you pray about, and to keep track of updates or answers. Use this time to get your children in the habit of praying to God on a regular basis.
