

READ THE BIBLE STORY TOGETHER:

The Lost Sheep (*Luke 15:1-7*)

Tell your children about a time you got lost.

What happened? Who found you or helped you find your way again?

LOST AND FOUND

When the shepherd in the story lost his sheep, he looked for it until he found it because he loved it very much. Jesus is like the shepherd in the story. We are lost in sin, but Jesus came to save us from being lost.

Play a game of hide and seek with your children. Explain that they will pretend to be the lost sheep by hiding somewhere in the house. You will pretend to be the shepherd by searching for them. When you find a sheep, hug your child and say, “you were lost, but now you’re found!” Remind your children that Jesus loves us very much and that is why He came to die on the cross for our sins. Jesus did this to save us from being lost in sin.
