## FAMILY ACTIVITY

### MESSENGERS

Have your children serve as messengers between you and your spouse or another adult. Have them start with one adult who is the Sender. The other adult will be the Receiver. The Receiver will sneak to someplace in the house and hide. The children have to find the Receiver, deliver the message, and then return to the Sender. All of the messages should be good things. (For example: *I love you, you are a sweet person, Jesus loves you.*) Then the Receiver will move to a new place. Continue as long as you wish, then gather all of the family together. Ask the children where they took your messages. Explaining that just like they had to take messages all over the house, God wants us to take His message everywhere. No matter where we go, we should be taking God's message of love with us.
