

Loyalty: I will be faithful to the people and things I have made commitments to!

Write the Main Point on sheets of paper, one for each member of the family. Have each member go into separate rooms for 1 minute and try to memorize the Main Point. After one minute, come back together and have each person say the Main Point out loud without their paper. If someone needs help remembering the Main Point, make sure to be there for them and help them out!

Bible Verse: *“A friend is always loyal, and a brother is born to help in time of need.” Proverbs 17:17 NLT*

Read the Bible Story together: Jonathan picks a fight.
(1 Samuel 14)

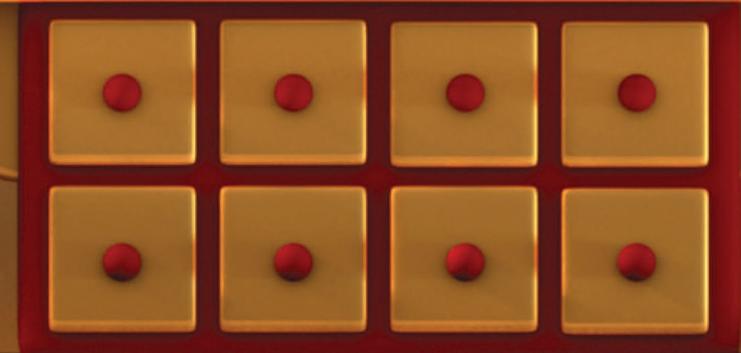

Ask your child if they’ve ever had a time in their life when they had to stand by one of their friends in a situation. What happened?

Loving Loyalty

Loyalty is being faithful to what you’ve committed to whether it is a person or place. Tell your child about a friend that has always been dear to you. What made you like them so much? Did you ever have to show loyalty to them in a specific situation? Make a list with your child of the different things and people they say they are loyal to in their life. Post the list up where they can see it and remind themselves as other opportunities come up what they say they are loyal to right now. Encourage your child to show loyalty to the people and things they say are important to them.
